

An aerial photograph of a large, irregularly shaped property outlined in yellow. The property is divided into several sections, including a large field of brown soil, a green field, and a smaller green field. A building is under construction in the smaller green field. The surrounding area is a mix of forested land and agricultural fields. A road labeled 'US 41' runs diagonally across the bottom left. A yellow arrow points from a text box to the building under construction. Another yellow arrow points from a text box to Interstate I-24.
