

Scott Hansert

Mr. Scott Hansert is a Coffee County native with over thirty years of experience in construction. He has worked throughout Middle Tennessee on many projects such as the Joint Park Boulevard extension, the Manchester Industrial Park Boulevard roadway/utility extension, the I-24 exit ramp at 111, the I-65 Welcome Center Installation of water and sewer, infrastructure, and groundwork for the Zoo at Grassmere, and the widening of highway 96 in Franklin. Mr. Hansert holds multiple State Licenses and extensive training in areas such as OSHA, TDEC, GPS Rover and Machinery as well as computer skills such as Zoom and Microsoft.

Mr. Hansert is the founder of the Crethan Kyle Hansert Memorial Foundation. His dedication has resulted in Coffee County Baseball having a state of the art hitting facility, a baseball tournament held yearly and most recently, a new digital sign for the hitting facility.

Mr. Hansert pours his heart into everything he does. He truly loves his community and is a person of integrity and strength.
